McPherson Asks State To Name Commission For Anniversary Observance

MEASURE CALLS FOR \$25,000.00 APPROPRIATION

The first legislative step to commemorate the 100th anniversary of the three days' Battle of Gettysburg and Lincoln's immortal Gettysburg Address were taken this afternoon by Senator Donald P. McPherson at the late afternoon Senate session.

The local attorney introduced a bill providing for the appointment by the Governor of nine citizens to constitute the official Pennsylvania Commission and the appropriation of \$25,000 for the expenses of the Commission which will report to the next regular session of the General Assembly.

When he introduced the measure Senator McPherson addressed the Senate as follows:

"The year 1963 will mark the 100th anniversary of two outstanding historical events which occurred on Pennsylvania soil — the 100th anniversary of the Battle of Gettysburg and the 100th anniversary of Lincoln's Gettysburg Address."

"The Battle of Gettysburg marked, as all of you know, the high water mark of the Civil War and the question of whether this land could exist half slave and half free was finally resolved. This land of ours went on to become the world leader it is today."

"Lincoln's Gettysburg Address has long since become a classic in the English language. A mural depicting this event is on the wall of this chamber."

150 ATTEND POLIO DANCE ON SATURDAY

Approximately 150 attended the annual Infantile Paralysis Fund Party held at the Hotel Gettysburg Saturday night as part of the current drive to raise money in the county for the March of Dimes.

The annual dances have been held since the mid '30's as a fund-raising scheme. Mary Howe's trio provided the music for dancing Saturday.

Award of a "Mamie Eisenhower" doll, donated by Mrs. Eisenhower to help raise funds for the polio drive, was made at the dance by the Misses Grace Myers and Anne Faber. The doll was awarded to Queen E. Myers, 1535 N. Sixth St., Harrisburg.

A portion of the funds raised by the county unit of the National Foundation for Infantile Paralysis comes from the sponsorship of the annual dance. Sponsors are those who donate \$5 or more for the drive. Approximately 290 sponsors were listed for the event Saturday night.

Mrs. Joseph Codori, chairman for the annual fund drive, said that in addition to the sums to be realized from the dance and the doll, more than \$3,000 had been donated by motorists of the county, various canisters have been placed in stores and donations are being sought from the schools. Ten schools that have reported so far are "far ahead of last year in donations," Mrs. Codori said. The money raised will be used of county residents suffering from the disease and the rest goes to the national organization.

COLLEGE WILL BUILD \$300,000 DORM FOR MEN

J. Alfred Hamme, York, architect for Gettysburg College, today announced the awarding of a contract to O. H. Hostetter and Son, Hanover, for the construction of a men's dormitory at the college to cost "within \$300,000." The Hanover firm was the low bidder of nine bids opened by the board of trustees' Building and Grounds Committee Saturday at the college. It will be known as the "Charles M. Stine Hall."

Construction will begin at once, a college spokesman said, and the new dormitory is to be completed by January 7, 1956.

The new building will have a capacity for 132 students, a recreation room, parlor and lounge. It will be three stories high and contain 66 rooms. The partial basement will contain only the heating plant.

First Of Three Units
William Sandias, chairman of the Building and Grounds Committee, presided at the opening of the bids. The committee's recommendations were submitted to a joint meeting of that committee and the Executive and Finance Committees. John S. Rice, W. Broadway, presided at this session.

The dormitory will be constructed of cement blocks faced with brick, will have a tile roof and will front the Eddie Plank Memorial gymnasium.

This is the first unit in a proposed three-dormitory construction program at the college.

R. J. BRENNAN IS SENTENCED TO WORKHOUSE

Robert Joseph Brennan, 45, Gettysburg R. 1 resident who had entered a "no defense" plea to stealing corn from a neighbor, Charles Harner, was sentenced to from 11 to 23 months in the Allegheny County workhouse by the Adams County Court Saturday. Deputy Sheriff James Warren said the sheriff's office plans to take Brennan, at present a prisoner at the jail here, to the workhouse either Tuesday or Wednesday.

Cpl. Frank Yercavage, of the local barracks of the State Police, told the court that Harner and his wife, both employed away from their farm from time to time, had been missing corn. Yercavage said he and another officer went to the Harner farm while the Harners were away and found Brennan there with corn in boxes and in his car.

Captain J. Farrell, York police captain, who had entered a "no defense" plea to charges of pointing a deadly weapon and assault and battery, was fined \$100 and ordered to pay the costs totaling \$178.15.

Farrell had been charged by Dale R. Reichert, of near East Berlin, after an incident in East Berlin last Labor Day. Farrell's daughter and daughter-in-law had appeared at the Farrell cottage "in a disheveled state" and told of a flight from "some boys." Farrell went to East Berlin, found Reichert and others there and allegedly pointed a pistol at and struck Reichert. Farrell was tried in November but the jury failed to agree.

Communist Guns Open Fire On Tachens; Shells Falling Short

UNITED NATIONS, N. Y. (AP)—Sir Leslie Knox Munro of New Zealand, president of the U. N. Security Council, proposed today that Red China be invited to send a representative here to take part in the debate on a Formosan cease-fire.

Munro made his proposal immediately after the Council refused to consider a Soviet demand that Nationalist China be barred from the debate.

TAIPEH, Formosa. (AP)—Communist guns on recently-captured Yikiangshan belched in the direction of the tense Tachens tonight but the Chinese Nationalist Defense Ministry reported all the shells landed in the sea.

The combat-ready U. S. 7th fleet stood by for possible orders to evacuate the Tachens Islands, 200 miles north of Formosa and eight miles south of Yikiangshan, but the U. S. Navy boss in the Pacific said Sunday such orders had not yet been given.

The Tachens were fire-bombed by Red bombers Sunday. Tonight

Communist guns hurled 22 shells toward the two offshore islands within 10 minutes.

The Defense Ministry reported all was quiet farther south in the Quemoy area.

The 7th Fleet needed only a "go ahead" to begin an evacuation of the Tachens.

However, Adm. Felix B. Stump, commander of the U. S. Pacific Fleet, said on a quick visit to this Chinese Nationalist capital yesterday that an evacuation had not been ordered.

Unconfirmed Chinese press reports said the garrison of 15,000 men was under Defense Ministry orders to prepare for a bitter stand if the Communists should attack before the evacuation takes place, as many observers here expect them to do.

Adm. Stump, meanwhile, was flying back to his Pearl Harbor headquarters after a quick trip to Taipei and an unheralded conference with top American commanders in Tokyo.

While here he told a news conference that "any time American forces are attacked anywhere they will defend themselves."

HORACE BENDER NEW PRESIDENT OF CLUB HERE

Horace L. "Piney" Bender, secretary of the local Eagles' lodge, was re-elected president of the Gettysburg Association of Clubs at a meeting Sunday at the Albert J. Lentz Post of the American Legion, Baltimore St.

David McCullough, of the Elks, was named as treasurer, succeeding Harold Wentz, of the American Legion, who had asked to be relieved after having served in that capacity since the organization was formed. Arthur J. Roth of the VFW was renamed secretary.

Discuss Decorations

Much of the meeting was devoted to a discussion of the Christmas Street decoration program here, with the group finally deciding that it seems a proper function of the Retail Merchants Association, which has carried on the project for several years. The association of clubs agreed to continue as it did this year in helping the Retail Merchants by donations toward the Christmas lights. The Moose and Eagles' representatives announced that their organizations are considering establishment of a fund toward Christmas decorations of their own buildings to help increase the amount of decoration in Gettysburg at Christmas time. They plan to begin next Christmas and add each year to the decorations until they become outstanding displays.

The possibility of holding a drum and bugle corps contest here in August was discussed, with the group to hold a special meeting February 13 at the Moose lodge at which the secretary of the Pen-Mar association of drum and bugle corps will give details of what is needed for such a program.

Sunday's discussion centered about the possibility of selling tickets to the drum and bugle corps contest, if it is held, to raise funds for prizes offered with the hope that profits would be sufficient for the annual Halloween contest.

TWO JUVENILES ARE SENT TO INSTITUTIONS; 6 ON PROBATION

Two members of what has been described as "the first incident in the county of anything approaching a gang" have been committed to state institutions, Judge W. C. Sheely announced today.

Of six boys, ranging in age from 11 to 17, the two have been committed, and four others were placed on probation, as the result of their activities which since last fall have included the burglarizing of four houses and a junk yard, the theft of articles from cars and the theft of an automobile itself, which the boys hid in a wood, planning to repaint the car.

The 17-year-old youth also lost his driver's license indefinitely as a result of his part in the burglaries and larcenies.

All In Gettysburg Area
All of the depredations occurred in the Gettysburg area, the court said, with several of the boys participating in only some of the crimes and two apparently taking part in all of the offenses.

Start of the juvenile "crime wave" apparently occurred last fall at a Gettysburg High School football game, when several members of the "gang" decided to loot automobiles parked at the high school while the owners were watching the game.

Succeeding in those thefts including hub caps off the cars, the youngsters apparently began a career that included visits to four homes, which they burglarized of items including foodstuffs, cash, 22 caliber cartridges, cigarettes, cigarette lighters, portable radios, even a churn and a quart of whiskey, which they apparently sold.

Car Theft Their Undoing
They visited a used car parts lot several times and stole items including spotlights, tools, car radio and hub caps.

In addition during the period they engaged in shoplifting in various stores, obtaining a number of articles.

Finally two of them stole the car and that led to the apprehension of the entire group.

The two boys committed to state institutions are aged about 14.

MT. PLEASANT TO BE TESTED

Mt. Pleasant Twp. today became the 14th Adams County township to sign for brucellosis testing. County Agent Frank S. Zettie reported.

Members of the county Brucellosis Committee, he said, are anticipating that 90 per cent of the herd owners of the county will have signed for the test by this spring, thus putting the entire county under the testing program.

The county Brucellosis Committee which met with similar committees from nine other counties at Carlisle Thursday learned at that time that 70 per cent of all herds in the state are now under a testing program and that only three counties have no testing whatsoever. When 90 per cent of the state's herd owners sign, testing will become obligatory for all.

The committee added that if Adams County reaches the 90 per cent participation by spring it is possible that one of the state's three mobile testing units can come here to carry out a "ring test" of all herds to determine quickly which herds may be infected. The state testing so far shows an average of five per cent infection among herds tested.

"MEMORY'S TENDER KISS"

It seems like only yesterday . . . since I was just a kid . . . a space of time short as a breath . . . that memory has hid . . . a moment in eternity . . . that faded all too soon . . . before I scarcely had a glimpse . . . of childhood's golden June . . . how swift do happy hours go . . . like fallen stars on high . . . staying for a moment then forever passing by . . . but always in the midst of life . . . is memory's embrace . . . to let me recall olden times . . . and meet them face to face . . . God gave the world a precious gift . . . when He gave memory . . . for through it we can turn back time . . . to days of used-to-be . . . and though my happy moments fly . . . to take away my bliss . . . I can regain the most of them . . . through memory's tender kiss.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

ONE HUNDRED YEARS AGO

Gov. Pollock has appointed Mr.
C. H. Buehler, Junior Editor of the
"Star," one of his Aids-de-camp,
with the rank of Lieut. Colonel.
Those men—were not cultivated in
vain. We congratulate our young
friend and brother Editor upon his
advancement in the military line.
We hope he will not be so much
"puffed up" as to "cut" his old
friends.

Married: On Tuesday, by Rev.
Robert Johnston, Mr. John Brink-
erhoff, to Miss Sarah, daughter of
Mr. Avid Shriver — Both of Stra-
ban township.

On the 28th inst., by Rev. C.
J. Delinger, Mr. David George,
of Adams county, to Miss Susan
Reed, of York county.

A Ladies Ball for the benefit
of the poor, was given at New
York on the 17th inst., and yielded
\$8,840. This sum was distributed
between twenty-seven different
charitable associations in the city,
which seemed to be in most direct
contact with the destitute.

The President has sent a mes-
sage to Congress, in relation to the
hostile attitude of the wild In-
dians in our territories, stating that
vigorous measures and more troops
will be required to protect the in-
habitants and the trains on the
route to California. He proposes
the raising of three thousand vol-
unteers. Congress will no doubt
take prompt action in the matter,
as we are clearly threatened with
hostilities.

Teachers Association: A meet-
ing of the Adams County Teachers'
Association will be held in the Lec-
ture Room of the German Re-
formed Church in Gettysburg, to
commence on Thursday, the 1st
day of February, at 10 o'clock a.m.
All the Teachers of the County are
earnestly solicited to be present.
An interchange of sentiment on the
methods of teaching the various
branches must necessarily result
in the mutual improvement of all
who attend.

SEVENTY-FIVE YEARS AGO

G.A.R. Fair: The ladies of town
contemplate holding a fair, at an
early day, under the auspices of
the Grand Army of the Republic,
for charitable purposes. The time
has not yet been fixed, but as soon
as it is announced will be
made. The object is a worthy one,
and we hope the ladies will
take hold of it energetically and
make it a success. There will be
a meeting of ladies at the Grand
Army Hall, on Saturday afternoon,
at 2 o'clock.

Birds and Fairies: A musical en-
tertainment by Miss Eva Danner's
pupils will be given in McEl-
lan's Opera House, on Tuesday
evening next, February 2d, "The
Fairy Bride" and other choice
music will be rendered. Reserved
seats 30 cents, the sale of which
will commence this (Thursday)
morning at Buehler and Co's Drug
Store. General admission 25 cents.
The chairs have been re-arranged,
giving more room and easier ac-
cess.

Fairfield Items: Mr. Lafayette
King has been visiting in our midst,
he having been to Illinois, and taken
to himself a "better half."
A gentleman of our village who
attended the late entertainment in
the Opera House at Gettysburg
speaks in glowing terms of the
beauty of the house and scenery,
and was highly delighted with the
performance.
Mr. Jacob Kready, an old and
much respected citizen, attained
his 91st year last Sunday. On that
day he was found in his ac-
customed seat in church, and although
so old, he retains his physical and
mental vigor to a remarkable de-
gree.

bert is building an office on N.

Today's Talk

COURTESY

How often it is that the simple
(some say old-fashioned) enact-
ment of courtesy often makes all
the difference! I experienced this
recently as I drove southward. We
were just leaving the city of Rich-
mond, Virginia, and stopped to ask
a direction from a passing car.
The information was given with a
smile. Then a little way ahead I
noticed that we were to stop for
the payment of a ten-cent toll. Our
friend was just ahead of us, but
when we stopped to pay, we were
informed that the stranger ahead
had paid for us!

It was an unexpected thing to
do but one that rated far above
the mere paying of the 10-cent toll.
I was a courteous and a character-
istic thing in these southern states,
for no matter where you go, it is
true that southern hospitality is no
mere expression. It is a fact and
is exercised wherever you go in the
south. How much it is that we
learn from others!

There is no greater salesman
than silent Courtesy. A kind act
is remembered for a long, long time.
"Thank You," "Please," and
"I'm Sorry," are familiar words
but they come right out of the
nest of Courtesy, and when they
are grown up they can well be-
come expressions to be with us
to the end of our earthly life. I
shall never drive through Rich-
mond without recalling the kind-
ness and courtesy of that Virginian.
His 10-cent courtesy looms bigger
to me than the Empire State
Building in New York City, my home!

One of the most inspiring plays
I ever witnessed was John Drink-
water's "Abraham Lincoln." The
one thing that stood out so strik-
ingly was Lincoln's courtesy. It
was the same to both rich and
poor. In fact, the poorer one was,
the kinder and more considerate
was the President. He must have
kept warm the memory of his
own early life of poverty and
struggle. None of us should ever
forget to be courteous. It's an in-
vestment in good feeling!

who visited them during the two
days of the sale. The complete list
of those recipients to be published
in an advertisement in Tuesday's
edition of the Gettysburg Times.

John H. Pitzer, president of the
Retail Merchants, termed the sales
days as "very successful despite the
cold weather. There were few win-
dow shoppers Friday and Saturday
because it was too cold, but the
stores were filled with people. I
wish to express my appreciation
to our valued customers throughout
the area who made the sale days
a success and I also wish to express
my appreciation to the merchants
of the community who provided the
bargains that made it worthwhile
for the customers to brave the cold
to shop here during the two days."

RE-BUILDER

That houses die there's not a doubt.
We see them everywhere we go.

By years of stress and strain worn
out
And left to all the winds that blow.
The rooms, where once was laugh-
ter gay.

Are silent, empty now and cold.
And those who pass them day by day
See only houses that are old.

A young wife to her husband said:
"If we replaced each broken board
And put a new roof overhead
That house to life might be restored.
Through memories we can't replace,
And to attempt it would be vain,
But we can add a touch of grace
And make that dwelling proud
again."

"Though dead the building seems
to be,
With just a little thoughtful care
There will be beauty there to see
And children scampering the stair.
There will be love and laughter, too,
And faith the sorrowing to sustain.
This house, abandoned through and
through,
Can be brought back to life again."

Experimental Plan

Extended To Tioga

HARRISBURG (AP) — An ex-
perimental state plan that grants mon-
ey for medical aid directly to per-
sons on relief will be extended to a
third county—Tioga—tomorrow.
The program is already operat-
ing in Snyder and Potter counties.
Called a "self responsibility" pro-
gram, it provides for additional
payments to persons receiving
state aid so they can take care of
their own medical treatments.
Persons on relief in Tioga Coun-
ty will receive \$4 extra a month.
Relief recipients with families re-
ceive more.

Gets Jail Sentence

Vernon R. Campbell, York R. 3,
was sentenced to six months in the
county jail on a worthless check
charge. He had appeared for sen-
tence at the November term, but
imposition was postponed then be-
cause Campbell said he was seeking
to secure payment of a worthless
check issued to him, and that when
he obtained that money he would
pay off his own worthless check.
Saturday he said he had not ob-
tained the money. The court said
he would be given a parole when
he made good the check and paid
the costs.

Paul E. Black, Martinsburg, W.
Va., found guilty of involuntary
manslaughter, was sentenced to
three months in the county jail
and ordered to the costs. Black's
attorney told the court that the
Martinsburg man has lost the sight
of one eye and has only partial
sight in the other eye as a result
of injuries received in the fatal
accident on the Sunshine Trail.

Other Sentences

William Talbert Haugh, Mt. Alto,
was ordered to pay the costs on
two worthless check charges. He
has just completed two years in the
penitentiary.
Melvin Lester Dolly, Cumberland,
Md., was sentenced to 60 days in
jail and ordered to pay the costs
on a larceny of a car charge.
Allen B. Siers, York Haven, charged
with driving while under the in-
fluence, was sentenced to 30 days
in the county jail, and ordered to
pay \$50 for the use of the county
and the costs.
Robert S. Hoff, Hanover R. 3,
also charged with driving while
under the influence, was given a
30-day jail sentence and ordered to
pay \$100 for use of the county and
the costs.
Sentence on Robert L. Shaeffer, 28,

Gettysburg R. 1, and Clyde R. Sha-

ffer, 18, Gettysburg R. 1, on charges
of receiving stolen goods was pos-
tponed until February 14. They were
instructed to renew bail.

Jailed And Fined

Ralph E. Hippensteel, New Oxford,
was sentenced to 30 days in the
county jail and ordered to pay \$100
for use of the county and the costs
on a charge of driving while under
the influence.

Arthur Kenneth Sites, Fairfield,
was ordered to pay \$12 per week
for the support of two children,
enter into a bond of \$1,000 to guar-
antee payment and pay the costs.

Myrie May, 147 W. Middle St.,
was sentenced to six months in the
county jail on a charge of larceny,
the sentence to begin as of December
31. He was then placed on parole for
one year upon payment of costs.

Wilmer J. Fidler, York Springs
R. 2, charged with hit and run
driving, was given a suspended
sentence on condition he pay \$150
for use of the county and costs.

Sentence of Kermit Tressler, 52
Steinwehr Ave., on a charge of con-
tributing to the delinquency of a
minor was postponed until February
14. Tressler must undergo an exam-
ination prior to that time.

Quash One Charge

A charge of furnishing malt bev-
erages to a minor against Tressler
was "nolle prossed" at the request
of the district attorney. Tressler's
attorney, Charles W. Wolf, told the
court that Tressler served five years
in the armed forces during World
War II and received the bronze star
award. Wolf read the citation to
Tressler's award which credited him
with killing 70 Germans during one
battle while a gunner with the
army.

George O. Baughman, Littlestown
R. 1, was sentenced to 60 days in
the county jail and ordered to pay \$50
for the use of the county and the
costs on a charge of driving while
under the influence of intoxicants
and was also sentenced to spend 30
days in jail, at the expiration of the
original 60 days period, on a charge

Bullets Blow Big Lead In Waning Minutes And Lose 79-78 To Lebanon Valley

Folding up in the final 4:40 minutes of play after apparently having a victory sewed up the Gettysburg College dribblers dropped a 79-78 decision to Lebanon Valley here Saturday night in a bitterly waged contest.

Inability to cope with an all-court pressing game employed by the Dutchmen who trailed 72-59 after 5:20 of the final stanza proved fatal to the Bullets.

Gettysburg surprised the fans by taking the lead 20-16 after a see-saw battle throughout the first frame. Lebanon Valley caught up at 23-23 early in the second period and forged ahead 26-24 before Bill Snyder, a superb performer, landed a goal and Fred Alleva two long sets to send the locals ahead where they stayed until the final moments of the contest. At half time Coach "Hen" Bream's lads led 37-32.

Sparked by Snyder, Al Tett and Dick Hockenbury, the Bullets pulled far ahead in the third round as Lebanon Valley landed but six goals, only one by Howie Landis, the Dutchmen's scoring ace, to take a 64-52 advantage going into the last 10 minutes.

After two minutes of the final quarter Gettysburg had its biggest margin at 68-54 and at 5:20 apparently had the game well under control when the score stood 72-59.

Valley Starts Rush

Starting an all-court press, the Dutchmen grabbed five quick points on a foul by Landis and goals by Dick Shover and another by Landis. Landis committed his fifth personal on his drive-in shot and when he protested strongly to an official, drew a technical. Snyder converted the technical to make it 73-64 with four minutes remaining. Hockenbury went out on fouls a few seconds later. Shover, hero of the visitors' sensational late drive, rammed through a goal and three fouls to pare the Bullet margin to 73-71 before Bill Ward landed an under-nether shot to make it 75-71 with 2:10 left.

The tiring Bullets simply couldn't keep up with the spirited Dutchmen the rest of the way. Shover landed a lay-up but missed his charity toss. Wally Kuligowski converted the second of two free tosses before Gerry Steger dribbled under for a goal with 1:30 remaining. Shover dropped in a pair of free tosses to put the Dutchmen on top at 77-76. With about 40 seconds remaining Koster scored for the visitors and just as the final whistle sounded Snyder hit on a long toss from the side.

It was a bitter defeat for the Bullets who now have a 3-8 record. The triumph was the 10th in 13 games for Lebanon Valley.

Snyder Top Scorer

Snyder took the scoring honors with 30 points. Tett coming through with 18 for the Bullets. Landis rimmed 29 for Lebanon Valley, 11 via fouls, while Shover contributed 19, most of which came in the last period rally.

The Bullets next meet the star-studded Quantic Marines here Wednesday evening at 8 o'clock. There will be no preliminary, the freshmen playing at York Junior College that evening.

Leader May Appoint State Boxing "Czar"

HARRISBURG (AP)—Gov. George M. Leader of Pennsylvania is considering the appointment of a "czar" to rule boxing in the Keystone State.

His press secretary, Thomas K. Hodges, also said yesterday that Leader "has the entire boxing program under active consideration" and intends to "get to the root of the problem and that fireworks can be expected to pop mighty soon."

During his election campaign, Leader promised a thorough investigation of boxing in Pennsylvania. He received support last week from state Sen. Benjamin R. Donolow of Philadelphia who urged such an investigation, asserting that Pennsylvania boxing is "racket ridden."

GOPHERS BEAT PURDUE IN 6TH OVERTIME 59-56

By ED WILKS
The Associated Press

Col. Adolph Rupp's Wildcats get a chance tonight to avenge the damage done their old Kentucky home by Georgia Tech, but chances are most college basketball fans still are talking about that six-overtime cold war between Minnesota and Purdue Saturday.

The Gophers and Purdue found themselves in a sit-and-wait deal at Lafayette, Ind., before Minnesota finally broke it up 59-56. Those six overtimes — with the first four scoreless — matched the college record.

Purdue just wouldn't give up the ball in the first three extra periods, choosing to wait for a last-second shot. All three closing attempts missed, however, and it was Minnesota's turn to hold the ball in the fourth after getting the center jump.

One Each In Fifth

Each hit a field goal in the fifth overtime and Purdue then took a three-point lead in the sixth. All that scoring activity rattled the Boiler-makers, however, and a pair of ball-handling errors were turned into six points by the Gophers.

The victory sent Minnesota — a 102-88 winner over Purdue at Minneapolis earlier — into the Big Ten lead with a 5-2 mark.

Since Kentucky was beaten 59-58 by Georgia Tech three weeks ago, it has won five straight for a 12-1 mark, including a 76-71 scrap with Vanderbilt Saturday. Kentucky plays at Tech tonight.

Over the weekend Villanova smacked North Carolina State, ranked No. 3 in last week's Associated Press poll, a second time, 40-36. San Francisco, No. 2 behind Kentucky in the poll, overhauled California 84-62 Saturday for its 12th straight.

FRENCHMAN TO FIGHT FULLMER

By THE ASSOCIATED PRESS
Gene (Cyclone) Fullmer, unbeaten Salt Lake City middleweight who looks like a real "comer," tests a new French import, Marcelle Assire, tonight at Brooklyn's Eastern Parkway.

Assire already has been given a double check by the New York State Athletic Commission after its trouble last Monday with Italy's Angelo Brisci at St. Nicholas Arena. Chairman Julius Helfand ordered new precautionary inspections of foreign fighters making their first New York appearances after Brisci was outclassed by Pete Adams.

To Be On TV

The Frenchman will have to be good to stand up against the Fuller, who whipped Pete Mueller Nov. 15. The 22-year-old prospect has won all his 26 starts, 19 by knockouts.

ABC-TV will telecast at 10 p.m. EST.

Orlando Zulueta, accurate-jabbing Cuban lightweight, and Danny Jo Perez, New York youngster, top tonight's show at New York's St. Nicholas Arena. Zulueta has dropped down to No. 8 in the lightweight class after recent defeats by Richie Howard, Kenny Lane and Frankie Ryff.

Du Mont will telecast at 10 p.m. EST.

Ken Rosewall Wins Men's Singles Crown

ADELAIDE, Australia (AP)—Little Ken Rosewall won the men's singles championships of this tennis-mad country for the second time in three years today with a 9-7, 6-4, 6-4 victory over Lew Hoad in the finals.

Disregarding a jinx which had seen Hoad whip him seven successive times, Rosewall completely outclassed his tennis "twin" and doubles partner to regain the coveted title he won in 1953. Mervyn Rose captured it last year.

FOUR SKIERS ARE INJURED

ALTA, Utah (AP)—Four skiers were in Salt Lake City hospitals today, victims of a lightning-fast snow cup giant slalom course that brought bad spills to eight others and disqualification to eight more because they were going too fast to make all the gates.

Most seriously hurt was Jill Kinmont, Bishop, Calif., teen-ager who was ferried this week on the cover of a national sports magazine (Sports Illustrated) which billed her as a promising Olympic prospect. But a broken back spelled a virtual end to her Olympic hopes.

Her physician described her condition as "critical."

Officials blamed the score of mishaps yesterday on extra-fast snow, a brisk tail wind, and a wicked bump midway in the course that sent skiers flying.

Western Cage Champions May Repeat In PIAA Loop

HARRISBURG (AP)—With the PIAA basketball season moving into the home stretch the odds seem to favor western Pennsylvania taking the crown again in 1955.

The Westerners, so far in the current campaign, have four of their 1954 district champions riding rough-shod over opposition. In the East the campaigns in league competition have been up and down with 1954 champions being edged out in most circuits.

Only Chester, of Dist. 1, has shown anything like its 1954 form. The runner-up for state championship honors has logged a 13-1 record during the current season and is undefeated in Dist. 1 competition.

Chester's only loss was to West Philadelphia in its first game, 35-30.

Farrell Is Leading

Meanwhile, in the West, state champion Farrell continues to dominate Dist. 3 of the WPAA (Dist. 7) and is undefeated within its section.

The Steelers are rated one of the top high school teams of the nation on the basis of interstate victories.

In Dist. 6, 1954 champion Johnstown bulldozed its chief rival in district competition, Altoona, by an 81-56 count. The win marked Johnstown as the strongest possibility for the 1955 crown.

At the same time Meadville, last year's Dist. 10 king, is 12-1 for the season and undefeated in Dist. 2 play. It further staked its claim on the 1955 crown by knocking over chief Dist. 2 competitor, Titusville, 89-39.

The northwestern school's only defeat thus far was at the hands of New Castle, 61-52—a regular challenger to Farrell in Dist. 3 of the WPAA.

Eastern League OK's Eight-Team Schedule

NEW YORK (AP)—The Eastern League has adopted a 140-game schedule for 1955 that includes Wilkes-Barre, whose entry has been in doubt often since the end of the 1954 baseball season.

The action was taken after the Wilkes-Barre management was assured of player help by "four or five" major league clubs, the league announced following a meeting here yesterday.

The schedule opens April 19 with Reading at Allentown, Williamsport at Wilkes-Barre, Schenectady at Albany, and Binghamton at Elmira. The eight clubs are the same as those which made up the Class A league last season. Albany's entry was also in doubt.

The league all-star game will be played Aug. 9 and the season will end Sept. 5.

NO REPORT TO HARRIDGE

This was more definite than the National League statement, which only Saturday ruled out any expansion for the present. The American League group finished its business yesterday, and Lane, acting as spokesman, said the league had an "open mind."

"We're not saying we won't expand," he explained, "because we can't speak for the league's owners. We're just a committee trying to find out whether expansion is feasible. Our report will go to Will Harridge (league president) and he in turn will bring the matter up before the club owners."

Lane said that at least "six or seven" cities had made overtures with four showing distinct possibilities. It's a safe guess that San Francisco and Los Angeles were among those discussed because Lane said that the committee examined a sample schedule including the West Coast.

Would Add Many Miles

The schedule involving the two West Coast cities would add 132,012 miles of travel for the league. At \$1.25 per mile, which Lane figured, it would add \$165,015 or \$12,000 to transportation costs, for each club.

Lane said: "The American League — and I am not speaking for Harridge now — is not seeking new members. We're studying expansion to see if it would be practical. We haven't yet arrived at a decision."

Johnstown Goalie To Play For Hershey

HERSHEY, Pa. (AP)—Norman DeFelice, 22-year-old goalie for the Johnstown Jets of the International Hockey League, will be in the nets Wednesday when Hershey plays Pittsburgh in an American Hockey League game.

DeFelice will be given a three-game tryout by the American League club which is seeking a replacement for the injured Gordie Henry.

Lloyd Bilco, Hershey general manager, said DeFelice was due to report to Hershey today for practice. He is owned by the Boston Bruins who have a working agreement with Hershey.

Henry Hospitalized

Since Henry was hospitalized by an automobile accident recently at Gilets Boisvert, on loan from the Montreal Royals of the Quebec League, has been Hershey's substitute goal tender.

DeFelice compiled a 3.2 goals allowed average in 33 games with Johnstown. He played with Sydney of the Maritime League last season.

Warriors Host To Middletown Tuesday As Second Half Race Starts In South Penn League

Gettysburg High School will be host to the Middletown Blue Raiders here Tuesday evening as the second half race of the South Penn Basketball League gets underway.

The Warriors suffered a 60-35 drubbing at Middletown in the first half but are confident they will be able to give Don Seibert's outfit a much stiffer battle here.

Middletown split even in eight league contests during the first half and was the only team able to defeat Chambersburg, first half titlists.

Tom Reid has been the big scoring ace for the Blue Raiders. He stands third in the individual scoring race with 166 points for a 20.7 average.

The Warriors finished in the cellar during the first half as the result of eight straight losses. They now have a 10-game losing skid and a season mark of 2-11.

At 6:45 the reserve teams will play with Coach Ray Ellis outfit attempting to repeat its 52-30 decision gained at Middletown.

In other league games Hershey will play at Hanover, Chambersburg at Waynesboro, and Carlisle at Shippensburg.

Gettysburg Junior High, still seeking its initial triumph, will meet the Delone Freshmen at McSherrystown Tuesday evening.

The Delone varsity, 4-9 for the season, will play at Westminster.

In the top Adams County League game Tuesday evening the league-leading Bolling Springs cagers will go after their ninth straight at Littlestown. The Thunderbolts got off to a brilliant start this season but have become very erratic in the last several weeks and will have to show considerable improvement to halt the Bubblers.

Second-place New Oxford invades Fairfield, York Springs will be at Biglerville, and East Berlin journeys to Newville.

Howitzer Cagers Drub Waynesboro

The local Howitzer Co. basketball team chalked up another victory by defeating D Co. at Waynesboro last week 59-36.

The local outfit led all the way and was on top 32-14 at half time. Knouse and Bair grabbed 18 and 16 points for the winners while Koonz and Miller each netted nine for the losers.

GIRL IN BROWN, ANGRY VOICES, MURDER CLUES

By JOHN BAUSMAN
NEW YORK (AP) — A mysterious girl, dressed in brown, reportedly was seen wandering about Serge Rubinstein's lavish home some hours before he was murdered.

Both Rubinstein's mother and aunt told of seeing the girl, police disclosed yesterday, but so far they have turned up no hint as to who she might be.

Today's investigation of the four-day-old murder will include questioning of Lee Brooks, a dealer in Canadian securities, police said.

Brooks had clashed with the slain draft dodger in a complex oil deal, police reported. In 1947 Brooks was questioned about the unsolved murder of businessman Albert E. Langford.

While police have been following up all possible angles of Rubinstein's social and business life, the body has been on view for two days at a Manhattan funeral home. He is to be buried today after Jewish funeral services.

Heard Angry Voices
It was at the funeral home that Rubinstein's mother disclosed she had heard angry voices arguing in her son's rooms early Thursday, shortly before he was killed. Mrs. Stella Rubinstein, 78, lived on the fourth floor of her son's 5th Avenue mansion, one floor above the bedroom in which he was strangled to death.

Police later confirmed the report and said Mrs. Rubinstein had told them about the voices when they questioned her on the day of the murder.

The "girl in brown" was seen by Mrs. Rubinstein some time prior to the noisy quarreling, police said.

Mrs. Rubinstein had gone into the hallway to check on a noise, and had seen the girl on the stairway. She didn't look like the kind of girl who belonged there, police said the mother remarked.

Visitors to the bier of the millionaire financier and playboy included Miss Anna Borsuk, 45, who described herself as "a very dear friend." She said Rubinstein had told her a week ago, "I have a premonition that I will be killed."

Must Accept Loss And Back U.S. Policy

PHILADELPHIA (AP)—The chairman of the National Assn. of Manufacturers says industry should willingly accept the possible loss of some business to cooperate with United States policy of aiding the economic advancement of other nations.

Harold C. McClellan said also Friday that he believed the Eisenhower administration had adopted a new approach to peace, "development of better understanding between the people of free nations."

"Technical cooperation constitutes an important part of that approach," McClellan said in a speech prepared for delivery at a Drexel Institute of Technology.

ELECTRONIC EYE SCANNING ALASKAN SKY

By ELTON FAY
AN EARLY WARNING RADAR STATION, Alaska (AP)—From this weird, mountaintop site, where an electronic eye scans the skies in ceaseless vigil, may come the first alarm to the United States that enemy bombers are on the way.

For obvious reasons, the precise location may not be disclosed. But one may say that it is in western Alaska, and one in a network of similar stations across the northland.

Some of the stations are close enough to the international boundary in the Bering Sea and Bering Strait so that, on occasion, the probing eye glimpses aircraft flying in the skies beyond the boundary. Conversely, it may be as American planes over the westernmost fringes of Alaska.

Here is the way the station looks to an arriving visitor:

Gigantic Bubble
Perched on the domed top of a snowcapped mountain is a gigantic bubble, kept in globular shape by air pressure. Within the fiber glass bubble, a huge radar antenna rotates constantly, day and night, peering into the distance and aloft.

The bubble protects the antenna from snow and ice, without interfering with the radar impulses.

From the bubble, a visitor descends through an airlock (much like a chamber in a submarine and used to maintain constant air pres-

SENATE FAVORS CEASEFIRE IN FORMOSA CASE

By JACK BELL
WASHINGTON (AP)—Some Senate Democrats contended Saturday the Eisenhower administration may be risking U.N. recognition of Communist China by encouraging the international organization to seek a cease-fire in Formosa Strait.

Sens. Sparkman (D-Ala.), Humphrey (D-Minn.) and Douglas (D-Ill.) said the administration's support of New Zealand's call for Security Council discussion of the issue Monday represents a distinct change in American policy.

They said this action indicates abandonment of what Sparkman called the "myth" that Chinese Nationalists under Chiang Kai-shek will ever invade the continent, and

constitutes recognition of "Two Chinas."

Favor Cease-Fire
But they and other senators looked with favor on the general idea of U.N. action toward halting the threat to peace in the Formosa area, they expressed themselves both in interviews and in Senate debate on a resolution supporting President Eisenhower's fight-if-we-must stand.

Just before the resolution was passed by an 8-3 vote last night, Humphrey introduced another resolution to put the Senate on record in favor of a cease-fire.

Chairman George (D-Ga.) of the Senate Foreign Relations Committee said he thought there would be little opposition to his. He said his committee might act on it early next week.

George said the resolution which the Senate passed put this country in "a position of strength and not vacillation" at the U.N. conference on this issue.

Sparkman, who heads the Senate Foreign Relations Far Eastern Subcommittee, said in an interview he regards it as "inevitable" that the Peking regime will be admitted to the U.N. over American protest within two years.

The first European settler on the site of Boston, the Shawmut Peninsula between Charles River and South Bay, was William Blackstone, an English clergyman.

DOUGLAS SEES EVENTUAL SEAT FOR RED CHINA

By JACK BELL
WASHINGTON (AP)—Sen. Mansfield (D-Mont.) said today international affairs have reached the stage where members of Congress must "put our faith in President Eisenhower" to reach a settlement of world problems without war.

Mansfield, a member of the Senate Foreign Relations Committee, said he was "standing behind the President" on U. S. support of a United Nations effort to end hostilities between the Chinese Nationalists and Communists in the area of Formosa.

Douglas Sees Recognition
Although he said this move implies "the recognition of the existence of two Chinas," Mansfield said he is willing to follow Eisenhower's lead in the matter, "recognizing the fact that the President has been most patient and that he has stated on many occasions here can be no alternative to peace."

Although Mansfield and all other senators announcing a stand have opposed a U. N. seat for Red China, Supreme Court Justice Wil-

liam O. Douglas said last night that eventually must come.

"The ultimate political settlement of the China problem," Douglas told the New York University School of Law, "involves recognition of two Chinas and the grant of seats in the United Nations to both of them."

Chairman George (D-Ga.) of the Senate Foreign Relations Committee said in an NBC television appearance the time hasn't come for talking about either U. S. recognition or a U. N. seat for Red China. But this country must not be afraid, he added, "to discuss frankly" anything that may lead to peace "as long as we discuss from a position of strength."

Sen. Eastland (D-Miss.) objected to U. N. intervention, saying in an interview that "we must take a stand in Formosa regardless of what the United Nations advocates."

Sen. Knowland (R-Calif.) said he favors a temporary truce, but that the price of a cease-fire must not be an agreement to "pour more free territory down the Communist drain."

He apparently referred to the possibility that Nationalist leader Chiang Kai-shek might be persuaded to give up Quemoy, Matsu and other coastal islands to the Communists as part of a cease-fire agreement. U. S. leaders reportedly consider some of the islands as prime for bargaining purposes.

BOBO QUARRELS OVER ILL DAD

WASHINGTON, Pa. (P)—Barbara (Bobo) Rockefeller, ex-wife of millionaire Winthrop Rockefeller, is quarreling with her cousin, a glass factory worker, over the care of Bobo's ill father Julius Paulekas. Miss Pauline Paulekas wants to keep the 68-year-old former coal miner at her Washington, Pa., home. Bobo, residing in New York, told newsmen she would like to see her father placed in a rest home. "I am interested only in making my father's last days comfortable and his best interests must be the determining factor," said Bobo. Bobo's father, now recuperating from pneumonia, lived with a brother, Anthony, for 25 years. Anthony, who was Miss Paulekas' father, died last year. Bobo saw her father for the first time in 31 years last April, shortly after he had suffered a heart attack here. He and Bobo's mother were separated when Bobo was 6.

ATLANTIC CITY, N.J. (P)—Robbers disrobed mannikins of \$20,995 in mink furs in a boardwalk shop window last night as subfreezing weather kept Sunday strollers away from the oceanfront. The robbery took place at Koff Furs, Inc.

U.S. AND BRITAIN TAKE MEASURES TO SAVE MONEY

By SAM DAWSON
NEW YORK (AP)—The United States and Britain are taking some gentle measures aimed at staving off another inflationary onslaught on the purchasing power of money.

Here the money managers fret lest stock speculation and easily financed home building get out of hand. In England they worry because wages and prices are climbing.

In preparing for this preventive war against a possible renewal of inflation, both are using as weapons the control of the supply of available credit and the raising of interest rates.

Pressure for higher prices is developing in the United States too on some commodities — such as copper, rubber, tin and fuel oil. And demands for higher wages are being readied for spring in several industries.

But Washington says these inflationary forces are weak as yet. It cites the fairly stable price level of commodities as a whole, and the fact that unemployment now totals either three or four million — depending on whose figures you credit, government's or labor unions' — as making unlikely at this time any real inflationary runaway, with another drain on what your dollar will buy at the store.

The British gently slapped the wrists of speculators by raising the interest rate which the Bank of England charges for lending its funds. The U. S. Federal Reserve Board isn't expected to take any such step while the U. S. Treasury is in the midst of refunding some 15 billion dollars of the public debt. In that operation, set for this

Start Move For State Income Tax

HARRISBURG (AP)—A new move to institute a state graduated income tax shaped up in the Senate today.

Sen. John Carl Miller (D-Beaver) said he will have another try at pushing through what he termed the "fairest type of tax."

Since Pennsylvania's state constitution bars such a levy on grounds that all taxes must be levied "equally," the move must begin with a constitutional amendment.

Miller succeeded in getting such a proposed amendment through the Senate in 1951 but it died in committee in the House. A similar House-passed measure was bottled up in committee in the Senate.

week, the Treasury hopes to move perhaps two billion dollars into 40-year 3 per cent bonds. To the extent that these bonds should compete for the dollars investors might otherwise put into mortgages or stocks, the move could be classed as deflationary.

The money managers say, however, that the soaking up of this money will be merely an offset to the inflationary tendencies of the home building boom and stock speculation — and doesn't signal a trend to harder and costlier money.

This view is challenged by some congressmen, who charge that the 3 per cent interest rate, in exchange for 2½ per cent bonds now maturing, means favoring the money lenders at the expense of home builders and business borrowers.
